

Candidate Name

Target Professional Title

City, Country | name@example.com | [LinkedIn](#) | [Portfolio](#)

Profile

Concise tailored summary connecting the candidate’s verified identity and strongest evidence to the target role’s highest-value needs.

Selected Impact

- Lead with the strongest verified outcome that directly addresses a core requirement.
- Add a second high-value result demonstrating relevant scope, ownership, or technical depth.
- Include a third item only when it contributes distinct evidence rather than repetition.

Experience

Official Job Title

Month Year – Present

Organisation

Location

- Explain a relevant responsibility with its technical or operational scope and confirmed result.
- Describe an important decision, constraint, or collaboration boundary accurately.

Previous Official Job Title

Month Year – Month Year

Previous Organisation

Location

- Select evidence that strengthens the target application without duplicating Selected Impact.
